High tack adhesive fabric support sheet  
Erasable pen / Pen holder

No.0 Quilt Pattern Collection  
designed by Aaaaa Aaaaa

## Preparations

Attach the Kent paper or plastic sheet to the standard mat.

1 Insert the USB flash drive into the ScanNCut and select the pattern (No. 35). Select the appliqué pieces (I through M).

2 Use Auto Layout to arrange the pieces.

3 Cut the pattern paper.

4 Put the erasable pen in the pen holder and mount the pen holder on the ScanNCut.

5 Attach the high-tack adhesive fabric support sheet to the standard mat. Orient fabric piece A so that its back is facing up, and attach the fabric to the mat so that its warp threads lie vertically.

6 Draw the cutting lines for piece A.

7 Replace the pen holder with the standard cut blade holder, then carry out cutting for the piece. The piece is cut with seam allowances.

8 Use the same procedure to draw and cut all the pieces.

9 Refer to the separate Quilt Basics document, and follow the instructions for piecing and appliqué to make the block.

10 Cut the cotton batting to match the size of the block. Overlay the cotton batting with the block and place it in the frame.

## High tack adhesive fabric support sheet

High-tack adhesive fabric support sheet

This is used when cutting pieces of patchwork or appliqué fabric with seam allowances.

Attach the sheet to the standard mat and peel off the backing paper.

With the back of the fabric facing up, attach the fabric to the mat.

Cut the fabric, then peel off the cut shape from the mat.
